## **Section 1—Introduction**

This directory provides a list of WellCare Melody-Plus and WellCare Sonata-Plus plan providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

Your Primary Care Physician is your primary doctor. A Primary Care Physician is a physician in the WellCare network that you choose to manage and coordinate the health care services you receive.

The “plan providers” listed in this directory have agreed to provide you with your health care coverage. You may go to any of our plan providers listed in this directory. If you have been going to one plan provider, you are not required to continue going to that same provider. If you choose to use a non-participating provider, you must ensure that the provider of your choice accepts Medicare and WellCare PFFS terms and conditions of payment before receiving treatment. If you choose to see a non-participating provider, you will pay a higher co-payment for your Primary Care Physician visits.

A Medicare Advantage Private Fee-for-Service plan works differently than a Medicare supplement plan. Your doctor or hospital is not required to agree to accept the plan’s terms and conditions, and thus may choose not to treat you, with the exception of emergencies. If your doctor or hospital does not agree to accept our payment terms and conditions, they may choose not to provide health care services to you, except in emergencies. Providers can find the plan’s terms and conditions on our Web site at [www.wellcarepffs.com/provider/terms](http://www.wellcarepffs.com/provider/terms).
