

## Information to Determine Enrollment Periods

Typically, you may enroll in a Medicare Advantage plan during the annual enrollment period between November 15 and December 31 of each year. In addition, you can join a Medicare Advantage plan during the open enrollment period between January 1 and March 31 of each year, as long as you do not change your prescription drug coverage. However, there are exceptions that may allow you to enroll in a Medicare Advantage plan outside of these periods.
